

C+M BALING SYSTEMS

MODULE WRAP BALING PRESSES

...recycle your round module wrap.

SAVE LABOR.

SAVE YOUR MOTE PRESS.

MODEL CM3030V OR CM3030H

Don't handle 80 to 85 round module covers per bale 2-3 times each, or forfeit money with oversize/light-weight bales.

C + M 3030V & 3030H MODULE WRAP BALING PRESS

MODEL 3030V

MODEL 3030H

- Bale size only 30"x30"x55", but 800 lbs.
- 2x the compression force of cardboard baler.
- Bales sized for export - no penalties!
- Small footprint - locate at unwrapper - save!
- 10-HP with hand-valve - simple to operate.
- Inexpensive & simple to install.
- Same quick-lock baling wire as your mote press.
